1. NAVY:

At the ship-yard on SOLOMBALA 3 naval vessels were observed several times during the last week of June, they were obviously being repaired. Crews were aboard on all vessels.

Description: [redacted] Length about 150 feet, flushdecker, one gun on the foredeck, bridge with one mast aft of the bridge building, one funnel.

25X1

[redacted] in position about half-way between ARCHANGEL lightship and KERET POINT, 4 naval vessels were observed in formation line astern. The vessels first sailed in direction towards the lightship, but later changed course several times.

25X1

[redacted] Vessels were of the same type as those observed at the ship-yard at SOLOMBALA.

25X1

2nd July about 1200 hrs GMT a naval vessel appeared from the vicinity of SOSNOVETZ ISLAND and then followed [redacted] for about 2 hours.
